

EMERGE AND TRANSFORM WITH THE

# *43<sup>rd</sup> Shalom Village Ladies Auxiliary Tea*

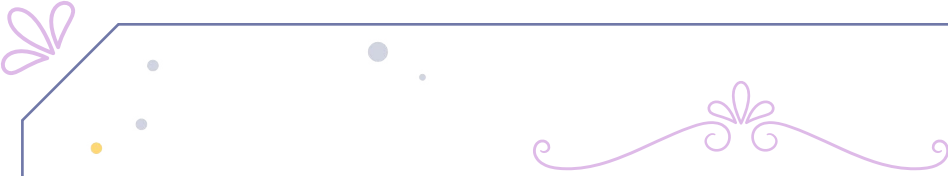

It's time for us to emerge from our cocoons and spread our radiant wings! For several years, the Ladies Auxiliary Tea has adapted in innovative ways to continue our cherished tradition. Whether it was a virtual Tea Party or the delightful Drive-Through version, the Ladies Auxiliary brought you our world-famous scones and raised remarkable funds to support the seniors at Shalom Village.

While these events were lovely, the moment has arrived for us to truly blossom. Let's adorn ourselves in our prettiest outfits and gather in person to celebrate the 43<sup>rd</sup> Annual Ladies Auxiliary Tea, in-person! Just as butterflies emerge, full of life, love, and beauty, we too are ready to share our transformation with you.

**Please join us and be part of this fabulous event by securing your spot/s early at [ShalomVillage.ca/Give-Today](https://ShalomVillage.ca/Give-Today). Spaces are limited, and much like the fleeting beauty of butterflies, our Ladies Auxiliary Tea will flutter away before you know it.**

This year's tea will raise funds to support our transportation programs. Butterflies are free to fly, but many seniors feel like their wings are clipped when they can no longer drive. Having access to our transportation services helps us to restore the ability to explore and participate in activities. YOU can help us give Shalom Village seniors more opportunities to enjoy new experiences, and excursions. Let's come together to help revive the "joie de vivre" that we see in our seniors when we give them the freedom to fly.

We hope that you too will spread your wings and join us at the Ladies Auxiliary Tea. Together we will experience the magic of companionship, laughter, and the exquisite delights only the Ladies Auxiliary can create when we all come together to give the gift of freedom and mobility to Shalom Village Seniors. For a brief, enchanting moment, we will leave the world behind and immerse ourselves in the joyous atmosphere of a community that is committed to making a difference as we enjoy a cup of Tea.

Our Ladies Auxiliary Tea Callers will be reaching out to personally invite you to join us in this beautiful metamorphosis. Break free from the past and revel in the beauty, joy, and laughter that resonate within the Shalom Village family.

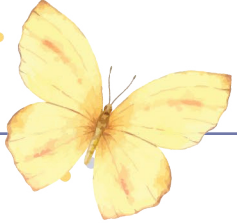

**You can secure your spot by placing an order with our Tea Callers, filling out the included coupon and mailing it in the provided envelope, reserving online at [ShalomVillage.ca/Give-Today](https://ShalomVillage.ca/Give-Today), or contacting Kathleen Thomas at 905-529-1613 x264.**

So let's come out of our cocoons and join together to create Moments that Matter for all Shalom Village seniors. Your donation will help us spread our wings and continue to support our beloved community. Please, make your donation today to ensure that this tradition, and our Shalom Village seniors continue to thrive.

On behalf of the Ladies Auxiliary, and Co-Chairs Rochelle Waxman and Jo-Ann Pomerantz, we offer our heartfelt, gratitude and anticipation,

***Kathleen Thomas***

## ***A Poem For Tea***

***When the world is at odds  
And the mind is at sea  
Then cease the useless tedium  
And brew a cup of tea***

***There's magic in its fragrance  
There's solace in its taste  
And the laden moments vanish  
Somehow into space***

***The world becomes a lovely thing  
There's beauty as you'll see  
All because you briefly stopped  
To attend the Shalom Village Tea***
